Grant Eligibility

The Asolo Educational Trust may provide financial support and opportunities to individuals for cases which advance the aims set out in our Mission Statement and meet our Grants Eligibility Criteria. Please draft your application with these in mind. It is critical that the individual's connection to the region of Veneto is clearly demonstrated.

Please note that The Asolo Educational Trust has limited funds available and a grant is not guaranteed even if a case falls within the Mission Statement and Grants Eligibility Criteria. The Asolo Educational Trust retains absolute discretion in determining and amending its Grants Eligibility Criteria and process and whether to make a grant at any time, including any and all details (such as the amount and, terms and conditions) of a grant.

Application Process

The Asolo Grants Committee will consider applications and make recommendations for approval at their regular meetings held on a quarterly basis (for the exact dates, please see our website: www.asoloeducation.com).

Lobbying or direct contact with The Asolo Grants Committee or officers of The Asolo Educational Trust is strongly discouraged and will only delay your application.

Grant Decision

Decisions will be made solely by The Asolo Educational Trust, who will endeavour to let you know the outcome of the application no later than 2 weeks after the relevant approval.

Please note that decisions by The Asolo Educational Trust are final and there is no appeal, but you may re-apply at a later date (certain conditions apply, please see our website for details: www.asoloeducation.com).

General

Please see our website (www.asoloeducation.com) for more detailed guidance, most importantly the Mission Statement and Grants Eligibility Criteria which set out what we look for when assessing grant applications.
